

CAPABILITIES STATEMENT

Security Watch, an 8(a) and certified woman-owned small business (WOSB) with over 17 years of experience, specializes in providing security services to government facilities and private companies. Our cutting-edge technology, skilled personnel, and dedication to excellence makes us the perfect partner to handle your security contract. Furthermore, our extensive experience spans government facilities of varying sizes and complexities

WHAT SETS SECURITY WATCH APART FROM THE COMPETITION?

Security Watch distinguishes itself from competitors through its extensive experience with government agencies and private organizations, advanced technology use, well-trained personnel, and excellent customer service. We have a track record of successfully taking over contracts from previous providers and are experienced in providing services to government facilities. Additionally, we prioritize thoroughly vetting, licensing, and training our Security Officers to exceed client expectations.

QUALITY STANDARDS

We aim to exceed customer expectations through feedback and quick resolution.

- Officer always comes to work and is on time.
- Officer always has a neat, professional appearance.
- Officer has a friendly and professional demeanor.
- Officer is a good communicator.
- Officer understands and successfully executes their post orders.
- Officer is capable of handling typical issues and problems professionally
